3. The 30% Credit Bonus applicable to all types of trading account.
4. Each and every client has the rights to receive the 30% Credit Bonus for his/her first five (5) live trading accounts. A minimum deposit of 100 USD is required.
5. The maximum amount of 30% Credit Bonus is capped at 2,000 USD per account and 10,000 USD per client.
6. The 30% Credit Bonus is automatically credited to the client live trading account and reflected in the "Credit" section.
7. Please note that once the equity of the trading account drops below its minimum requirement, the 30% Credit Bonus will be considered as void; or, will be reviewed according to its new category. To prevent such things from happening, make sure the equity of the trading account is above the minimum requirement including before making any withdrawal of profit.

The minimum equity required to obtain 30% Credit Bonus is equivalent to the total bonus received.

$$\text{Minimum equity} = \text{Total bonus received}$$

### Example:

Your trading account received a bonus 1,500 USD for a deposit of 5,000 USD. In order to obtaining 30% Credit Bonus, you must make sure the equity of the trading account should not be less than 1,500 USD.

8. The 30% Credit Bonus is not allowed for internal transfer and strictly cannot be used as a deposit for any contest or competition.
9. The 30% Credit Bonus can be withdrawn only when a certain amount of trading volume transaction is completed by the trading accounts that received the said bonus.

The minimum traded volume required to obtain 30% Credit Bonus is equivalent to the total bonus received multiply by 50%.

$$\text{Minimum traded volume} = \text{Total bonus received} \times 50\%$$

### Example:

Your trading account received a bonus 1,500 USD for a deposit of 5,000 USD but this bonus cannot be withdrawn until the accumulated trader volume reached the minimum requirement. The minimum traded volume needed for this situation is 750 standard lots of UMOFx which is 75,000,000 USD (1,500 USD x 50% = 750 standard lots). In case an account has several bonuses the volume sums up.

10. UMOFx reserves the rights to withdraw the bonus in case of dishonest usage or abuse of the bonus surcharge system: if the deposit was withdrawn right after the receipt of the bonus; if proven that the client opened a reverse or hedge positions in different accounts, in UMOFx or in another broker.
11. By taking the 30% Credit Bonus the maximum leverage is up to 500(1:500). If the chosen leverage is more than maximum leverage (1:500) our company will automatically set the value to the maximum leverage (1:500) and for client who's chosen below 500(1:500) will still remain the same.
12. UMOFx reserves the rights to decline or refuse any request of the said bonuses without any prior notice.

13. The terms and conditions for 30% Credit Bonus is independently and shall not be read as terms and conditions for any other event bonuses.
